CONNECTICUT DEPARTMENT OF TRANSPORTATION

VIRTUAL PUBLIC INFORMATION MEETING

State Project No. 0150-0137 Rehabilitation of Bridge No. 00906

Carrying U.S. Route 202 over the Shepaug River

Town of Washington

Monday June 17, 2024, 7:00 p.m.

Register: <https://portal.ct.gov/DOTWashington150-137>

YouTube Livestream: <https://portal.ct.gov/ctdotvpimarchive>

The purpose of this meeting is to provide the community an opportunity to learn about the proposed project and allow an open discussion of any views and comments concerning the proposed improvements. A Question and Answer (Q&A) session will immediately follow the presentation.

The purpose of the project is to address the bridge deficiencies to ensure the major components are improved to, or remain in, a state of good repair. The project will need to minimize traffic interruptions on U.S. Route 202, address the concrete deck deterioration, install MASH compliant bridge rail, address condition of bridge bearings and deterioration of structural steel, and repair existing substructure deteriorations.

Right-of-way impacts associated with the proposed project are not anticipated.

Construction is anticipated to begin spring 2027 based on the availability of funding and approval of permit(s). The estimated construction cost for this project is approximately \$6.76 Million. This project is anticipated to be undertaken with 80 percent Federal funds and 20 percent State funds.

Please register for the virtual public information meeting at <https://portal.ct.gov/DOTWashington150-137>.
