The purpose of this meeting is to provide the community with an opportunity to learn about the proposed project and allow an open discussion of any views and comments concerning the proposed improvements. A Q&A session will immediately follow the presentation.

The project involves the full replacement of the bridge and roadway re-alignment to address geometric deficiencies that will help improve traffic flow and enhance safety for all users.

Right-of-way impacts are associated with the proposed improvements including partial takes, slope easements, temporary construction easements and rights.

Construction is anticipated to begin spring 2027. The estimated cost for this project is approximately \$7.3 million, with 80% federal funds and 20% state funds.

The public can submit comments and questions during two-week public comment period following meeting. Direct comments and questions by Thursday, April 24, 2025, to [Jeffrey.Organek@ct.gov](mailto:Jeffrey.Organek@ct.gov) or (860) 594-3582.
