The purpose of this meeting is to provide the community with an opportunity to learn about the proposed project and allow an open discussion of any views and comments concerning the proposed improvements. A Q&A session will immediately follow the presentation.

The purpose of this project is to construct sidewalks along Cedar Street to improve pedestrian accommodations and a continuous network between transit, retail, and educational facilities in Newington.

Right-of-way impacts are anticipated through permanent easements for the construction of the sidewalk.

Construction is anticipated to begin spring 2026. The estimated cost for this project is approximately \$2.6 million with 80% federal funds and 20% state funds.

Members of the public may submit comments and questions during the two-week public comment period following the meeting. Please submit comments and questions by Wednesday, May 14, 2025, to Devin.Racicot@ct.gov or (860) 594-2735. Please reference Project No. 0093-0251 in the email or voice mail.
