The public information meeting is being held to provide the public and local community the opportunity to offer comments or ask questions regarding the proposed project. The meeting will take place on Zoom, and registration is required. A question and answer (Q&A) session will immediately follow the presentation, which will be recorded.

Right-of-way impacts with the proposed improvements are anticipated.

Construction is expected to start spring 2027, depending on funding, right-of-way acquisition, and permits. The estimated cost is \$2.4 million, with 80% federal funds and 20% state funds.

The public can submit comments and questions during the two-week public comment period following the meeting. Direct comments and questions by October 14, 2025, to DOT-FLBP@ct.gov, (860) 594-2020, or Michelle Rame, Project Engineer (Michelle.Rame@ct.gov; 860-594-3319).

ACCESSIBILITY

Non-English language closed captioning will be available on Zoom. The recording will also be posted following the meeting in CTDOT's public meeting playlist at portal.ct.gov/ctdotVPIMarchive.
