

Join us for a Public Meeting!

The Connecticut Department of Transportation (CTDOT) is performing a Planning and Environment Linkages (PEL) Study to research ways to improve safety and mobility on I-95 between Interchanges 7 - 9 as well as concepts to replace the I-95 bridge over Metro-North Railroad and Myrtle Avenue.

In-Person

Wednesday, December 10, 2025

5:00 - 8:00 PM | Presentation at 6:00 PM

Ferguson Library

3rd floor, Dudley N. Williams, Jr. Auditorium

Stop by to engage with project team members, review the conceptual alternatives, and receive a presentation on the study's progress, alternatives screening process, and next steps. **Attendees who are interested may receive a complimentary bus pass. Visit every station at the meeting to be entered for a chance to win a \$50 gift card!**

Virtual

Thursday, December 11, 2025

11:00 AM - 12:30 PM

Zoom Webinar
