Petition No. 2025-628

STATEMENT OF CHARGES

Pursuant to Connecticut General Statutes, §§19a-10 and 19a-14, the Department of Public Health ("Department") brings the following charges against Kelicia R. Davis:

1. Kelicia R. Davis ("respondent") is, and has been since February 17, 2022, the holder of Connecticut registered nurse license number 189811.
2. Respondent is also licensed as a registered nurse in the State of North Carolina.
3. On or about October 28, 2021, respondent applied to the Department for a Connecticut registered nurse license via endorsement.
4. As part of the application for licensure, respondent attested that she received her nursing education from Ideal Professional Institute School of Nursing in Miami, Florida.
5. On or about February 17, 2022 the Department issued a registered nurse license number 189811 to respondent.
6. The respondent has not completed the required program hours and clinical training necessary to obtain an associate of science in nursing degree and transcript.
7. Respondent's licensure as a nurse in the State of Connecticut resulted from the provision of information and documentation to the licensing authorities in Connecticut and North Carolina that led those authorities to conclude that respondent completed the required program hours and/or clinical training required to graduate from a prelicensure nursing program when, in fact, she did not complete the required program hours and/or clinical training.
8. The above cited facts evidence conduct that fails to conform to the accepted standards of the nursing profession because the respondent did not successfully complete the necessary requirements to obtain a nursing degree and they, therefore, constitute grounds for disciplinary action pursuant to Connecticut General Statutes §§19a-17 and 20-99, including, but not necessarily limited to Connecticut General Statutes §20-99(b)
9. For the foregoing reasons, the Department believes that respondent's continued practice as a registered nurse represents a clear and immediate danger to the public health and safety.

THEREFORE, the Department prays that:

The Connecticut Board of Examiners for Nursing, as authorized by Connecticut General Statutes, §§20-99(b) and 19a-17, summarily suspend respondent's license to practice as a registered nurse until a full hearing on the merits can be held, and that it revoke, or order other disciplinary action against, the nursing license of Kelicia R. Davis.
