The purpose of this meeting is to provide the community with an opportunity to learn about the proposed project and allow an open discussion of any views and comments concerning the proposed improvements. A Q&A session will immediately follow the presentation.

The purpose of this project will improve safety and capacity for the Amtrak Hartford Line corridor by establishing a double track from Windsor Locks to Windsor.

Right-of way impacts are expected to occur at several properties in the project area, with acquisition types including partial takes, permanent easements, and total takes.

Construction is expected to start in summer 2026, depending on funding, right-of-way acquisition, and permits. The estimated cost is $160 million, with 63% federal funds and 37% state funds.

The public can submit comments and questions during two-week public comment period following the meeting. Direct comments and questions by Wednesday, February 11, 2026, to bit.ly/320-8WWLat HLProgram@ct.gov or (860) 594-2754. Please reference Project No. 0320-0008 in voicemail or email.
