The purpose of these meetings is to provide the community with an opportunity to learn about the Statewide Transportation Improvement Program and allow an open discussion of any views and comments concerning the program. A Q&A session will immediately follow the presentation. CTDOT staff will be available in-person 30 minutes prior to each meeting to informally discuss the draft STIP with members of the public.

The Statewide Transportation Improvement Program (STIP) compiles all highway and public transit projects that CTDOT intends to pursue over the next four years, utilizing Federal Highway Administration (FHWA) and Federal Transit Administration (FTA) funding. STIP documents can be found at portal.ct.gov/STIP, CTDOT Headquarters, and at all Councils of Government offices. It is suggested to schedule an appointment at these locations. To make an appointment at CTDOT, please call (860) 594-2040.

The draft STIP will be available for review for a 30-day public comment period from Wednesday, May 13, 2026, through Friday, June 12, 2026. Comments should be submitted to (860) 594-2020, DOT.STIPComments@ct.gov, or mailed to:
