

## **Notice of Public Information Meeting**

The Connecticut Department of Transportation (Department) will conduct a Public Information Meeting concerning a proposed Road Diet (roadway reconfiguration) on U.S. Route 1 in Fairfield on Wednesday, June 17, 2020 at 7 p.m. The meeting will be discussing a proposed road diet on U. S. Route 1 (Post Road) between Rennell Drive and 250 feet east of North/South Pine Creek Road, a distance of 1.01 miles. The formal presentation will begin at 7:00 p.m.

A “road diet” is a reconfiguration of roadway markings to allow better bicycle and pedestrian access and safety. A presentation will be given to explain the proposed work followed by a question and answer session. The meeting will be held virtually using a [Microsoft Teams Meeting link](#).

Individuals with limited internet access can listen to the meeting by calling +1 (978) 703-6483 and entering the Conference ID when prompted: 143 804 21#. Persons with hearing and/or speech disabilities may dial 711 for Telecommunications Relay Services (TRS).

Language assistance may be requested by contacting the Department’s Language Assistance Call Line at (860) 594-2109. Requests should be made at least 5 business days prior to the meeting. Language assistance is provided at no cost to the public and efforts will be made to respond to timely requests for assistance.

If approved by the Town, it is anticipated that the road diet pavement markings would be implemented during this construction season. This project is anticipated to be undertaken with 100% State funds.

It is the Department’s policy to keep the public informed and involved when such projects are undertaken. It is important that the community share its concerns with us to assist in the project’s development.

Anyone interested in requesting information on this project may do so by contacting Mr. Joseph P. Ouellette, Project Manager at (860) 594-2721 or via email at [Trafficsafety.dot@ct.gov](mailto:Trafficsafety.dot@ct.gov).
