POCC-01 Rev 4/08 STATE OF CONNECTICUT DEPARTMENT OF CONSUMER PROTECTION

Occupational Trade License Application

→ Instructions: All applicants must review the Candidate Information Bulletin at www.psiexams.com.

This application must be completed and signed by the individual applying for licensure. The Federal Privacy Act of 1974 requires that you be notified that disclosure of your Social Security Number is required pursuant to C.G.S. \$17b-137a. If you choose not to disclose your Social Security Number your application cannot be processed.

2) Fees: Contractor \$150.00; Journeyperson \$90.00; Dealer-Tech \$200.00; Technician \$80.00; Stationary Engineer \$90.00; Driller (any type) \$88.00. A check for the applicable fee must be made payable to PSI. For credit card payments use the form on the next page. Application fees are non-refundable.

Once this application is reviewed and approved, you will receive an Examination Eligibility Postcard from PSI with instructions to register and schedule the examination. Please note that an examination fee will be due at the time you schedule the examination with PSI.

Applicants must include the appropriate required documentation for each license type:

- → <u>Journeyperson</u>, <u>Driller or Technician applicants</u> must attach the <u>original copy</u> of the Letter of Apprenticeship Completion Certificate. This can be obtained from the State of Connecticut, Department of Labor, Apprenticeship Training Division at
- → Contractor or Dealer-Technician applicants must have held the respective journeyperson, driller or technician license for a minimum of two (2) years prior to applying. You must attach a photocopy of your current license.
- → If applying for equivalent experience and training (any license type), submit notarized statements from occupational related employers as to the dates and duties of employment AND copies of any diplomas and degrees of education related to the occupational license type for which you are applying. If you are a military service member with a Recommendation for Review from the Connecticut Department of Labor, submit your recommendation letter. Should your application not be approved, you will receive a deficiency letter with further directions.
- → MAIL your completed application and fee to:

Title 32: PROFESSIONS AND OCCUPATIONS Chapter 49: PLUMBERS

Subchapter 5: LICENSES

§3501. Issuance of licenses

1. License required.

```
[PL 1999, c. 386, Pt. L, §6 (RP).]
```

1-A. Application; qualifications. The board shall issue a license to any person who files a sworn application, who passes an examination approved by the board and who meets the qualifications set forth in this section.

```
[PL 1999, c. 386, Pt. L, §6 (NEW).]
```

- 2. Journeyman or limited license. The board may issue a journeyman plumber or limited plumber license to persons who submit an application on a form prescribed by the board with the required fee as set under section 3501-B (../32/title32sec3501-B.html) and who provide satisfactory evidence of the following qualifications:
 - A. A minimum of at least 2 years with 4,000 hours of work in the field of plumbing installations as a licensed trainee plumber under the supervision of a master plumber, or the equivalent thereof, and obtaining a passing grade as determined by the board on the journeyman's examination; or [PL 1999, c. 386, Pt. L, §6 (AMD).]
 - B. A minimum of 2,000 hours of work in the field of plumbing installations as a journeyman-in-training under the supervision of a licensed master plumber, as long as the work experience is obtained within 4 years of the date upon which the applicant was issued a journeyman-in-training license. A journeyman-in-training license must be issued upon sworn application to any person who has satisfactorily completed one academic year of instruction in plumbing at a board-approved technical college or community college or in a career and technical education program approved pursuant to Itile 20-A, section 8306-B (../20-A/title20-Asec8306-B.html) as a secondary student or in a registered Department of Labor apprenticeship program and who has obtained a passing grade, as determined by the board on the journeyman's examination. [PL 2017, c. 4, §1 (AMD).]

```
[PL 2017, c. 4, §1 (AMD).]
```

- **2-A.** Master plumber license. The board may issue a master plumber license to a person who submits an application on a form prescribed by the with the required fee as set under section 3501-B (../32/title32sec3501-B.html) and who provides satisfactory evidence of the following qualifications:
 - A. A minimum of at least one year with 2,000 hours of work in the field of plumbing installations as a journeyman plumber or a minimum of at least 4 years with 8,000 hours of work in the field of plumbing installations as a trainee plumber under the supervision of a master plumber, or the equivalent; and [PL 1987, c. 597, §11 (AMD).]
 - B. Obtaining a passing grade, as determined by the board on the master's examination. [PL 1983, c. 468, §18 (NEW).]

```
[PL 2003, c. 250, Pt. B, §1 (AMD).]
```

2-B. Journeyman-in-training. The board may issue a journeyman-in-training license to a person who provides satisfactory evidence of completion of a plumbing course consisting of one year or 2 semesters at a board-approved technical college or community college, in a registered Department of Labor apprenticeship program or in a career and technical education program approved pursuant to Title 20-A, section 8306-B (../20-A/title20-Asec8306-B.html) as a secondary student and who submits the required fee set under Section 3501-B (../32/title32sec3501-B.html) and evidence of having obtained a passing grade, as determined by the board, on the journeyman's examination. A journeyman-in-training license is valid for a single nonrenewable period of 4 years and may be issued only once to any individual.

```
[PL 2017, c. 4, §2 (AMD).]
```

3. Trainee license. The board may issue a trainee plumber license without examination to any person who submits a written application on a form supplied by the board with the required fee set under section 3501-B (../32/title32sec3501-B.html) and who provides satisfactory evidence that the person is employed by a licensed master plumber or an entity that employs a licensed master plumbers and will assist the licensed master plumber or plumbers as a trainee plumber.

```
[PL 2017, c. 210, Pt. D, §5 (AMD).]
```

4. License displayed. All persons licensed by the board must receive a license that must be publicly displayed at the principal place of business of the plumber, if any, and a pocket card license that must be carried on the person and displayed at any time upon request.

```
[PL 2007, c. 402, Pt. O, $7 (AMD).]
```

5. Examinations.

```
[PL 1999, c. 386, Pt. L, §6 (RP).]
```

6. Installation, repair or replacement of well pumps. A person licensed under this subchapter who performs the installation, repair or replacement of a pump in a well, as defined in <u>section 4700-E</u>, <u>subsection 8 (../32/title32sec4700-E.html)</u>, shall install, repair or replace that pump in compliance with the code of performance adopted by the Maine Water Well Commission pursuant to <u>section 4700-H</u>, <u>subsection 5 (../32/title32sec4700-H.html)</u>. Any person, company, firm, partnership or corporation who installs, alters, repairs or replaces a pump system without being licensed as provided in this chapter

or in violation of the code of performance, except for an apprentice pump installer as set forth in this chapter, or any person, firm, partnership or corporation who procures a license as provided in this chapter wrongfully or by fraud commits a civil violation punishable by a fine of not more than \$1,000.

This subsection does not prevent a person from making pump system installations, alterations, repairs or replacements in a single-family residence occupied by that person or to be occupied by that person as a bona fide personal abode, providing the installation, alteration, repair or replacement conforms to the standards set forth in this chapter and any rules adopted by the Maine Water Well Commission or the department.

This subsection does not prevent a person from removing and replacing an existing pump for the purpose of well inspection or to test pumping if the pump and electrical system are not being modified.

[PL 2001, c. 209, Pt. A, §4 (AMD).]

The ASSE 6040 Maintenance

Personnel Program was developed to provide qualified individuals, who are responsible for the proper inspection, testing, and maintenance of medical gas and vacuum systems

Description

The **ASSE 6040 Maintenance Personnel Program** was developed to provide qualified individuals, who are responsible for the proper inspection, testing, and maintenance of medical gas and vacuum systems, with the certification necessary to ensure that the individual has met the requirements of the ASSE Series 6000 Professional Qualifications Standard and are technically competent and experienced in the field of medical gas systems inspection, testing, and maintenance. Candidates are also tested for a basic understanding of medical gas systems including general knowledge, applications, component overview, basic operating principles and performance characteristics, critical safety precautions, troubleshooting, routine maintenance and testing, and common repairs.

Candidates eligible for the ASSE 6040 program MUST attain a copy of <u>NFPA 99: Health Care</u>

<u>Facilities Code, 2018 edition</u> (https://www.nfpa.org/codes-and-standards/all-codes-and-standards/list-of-codes-and-standards/detail?code=99). This text will be referred to

Karen Layman State of Connecticut

Hello Karen:

My name is Raymond Piccinino and I am one of the plumbers currently employed at Hartford HealthCare, St. Vincent's Medical Center in Bridgeport. I have been working in the Engineering Department for the past 35 years.

During my time here, I have met and worked with many qualified coworkers. I am currently working with Jimmie English. He not only is a pleasure to work with, but he also brings a good work ethic to the people around him. Jimmie has shown to be very knowledgeable in all aspects of plumbing systems, repair work and codes that go along with the job.

I am looking forward to working with Jimmie in the future. If you have any further questions, please feel free to contact me at 203-873-1126

My plumbing information is as follows: Raymond Piccinino, CT License #PLM 0204236-P1

Sincerely,

Raymond Piccinino

Karen Layman State of Connecticut

Dear Karen:

My name is Christopher Silva and I am employed as Senior Master Plumber PLM-0203442-P1 with Hartford HealthCare, St. Vincent's Medical Center for the last 42 years.

Jimmie English has been under my supervision for the last four years. He handles all the tasks that are given and required of him. He is knowledgeable of all facets of the plumbing trade including the codes.

I would recommend him as a future Connecticut Plumber. If you have any questions, you may contact me at 203-870-8368.

Regards,

Christopher Silva
