**CONNECTICUT DEPARTMENT OF TRANSPORTATION  
VIRTUAL PUBLIC INFORMATION MEETING  
State Project No. 0152-0164  
Route 85 (Hartford Turnpike) Computerized Traffic Signal System (CTSS)  
Replacement in Waterford**

**Monday, March 31, 2025, at 6:00 p.m.**

**Register and Learn More:** <http://www.portal.ct.gov/DOTWaterford0152-0164>

The purpose of this meeting is to provide the community with an opportunity to learn about the proposed project and allow an open discussion of any views and comments concerning the proposed improvements. A Q&A session will immediately follow the presentation.

The purpose of the project is to replace the aging traffic signal infrastructure of ten signals along the Route 85 corridor. The replacement of the existing system will establish reliable communication between signalized intersections, upgrade traffic signal detection, reduce travel time, and use non-intrusive sensors to provide additional detection and visual capabilities.

The right-of-way impacts associated with the proposed improvements are expected to be minimal and there will be newly installed sidewalks at some project intersections.

Construction is expected to start in fall 2026, depending on funding, right-of-way acquisition, and permits. The estimated cost is \$7.19 million with 80% federal funds and 20% state funds.

The public can submit comments and questions during two-week public comment period following meeting. Direct comments and questions by April 14, 2025, to John Lockaby, Project Manager at [John.Lockaby@ct.gov](mailto:John.Lockaby@ct.gov) or (860) 594-2719.

**ACCESSIBILITY**

The recording will be posted following the meeting in the list of CTDOT virtual public meetings at [portal.ct.gov/ctdotVPIMarchive](http://portal.ct.gov/ctdotVPIMarchive).

For limited internet access, call (877) 853-5257 with Meeting ID 890 7622 8281. Project information can be mailed within one week by contacting John Lockaby, Project Manager at [John.Lockaby@ct.gov](mailto:John.Lockaby@ct.gov) or (860) 594-2719.

For hearing/speech disabilities, dial 711 for Telecommunications Relay Services (TRS). Request language assistance from CTDOT's Language Assistance at (860) 594-2109 at least five business days before the meeting.
