

REPORT OF MEETING

State Project No.: 0427-0071
Project Description: Greater New Haven Transit District – New Facility
City: North Haven
Date of Meeting: January 28, 2025
Duration of Meeting: 6:00pm – 6:25pm
Subject: Public Information Meeting
Location of Meeting: Virtual Meeting – Zoom, CTDOT YouTube

Attendees:

Laura Francis	SCRCOG – Executive Director
Adam Fox	CT DOT – Principal Engineer
Kevin Fletcher	GNHTD
Rabih Barakat	CT DOT – Division Chief
Mario Marrero	GNHTD – Director
Graham Curtis	CT DOT – Assistant Admin

Panelists:

Emily Anness	CT DOT – Facilities Design – Project Engineer
Stephen Clout	CT DOT – Facilities Design – Project Engineer
Charles Wiegert	CT DOT – Facilities Design – Project Manager

Purpose of Meeting:

The purpose of this meeting was to present the preliminary design of Connecticut Department of Transportation (CT DOT) Project No. 0472-0071 to the public of the Town of North Haven.

Discussion:

- CT DOT provided a brief project overview and instructions on how to use Zoom tools for closed captioning, translations, and submitting comments with the question and answer tool.
- CT DOT presented civil rights as outlined under Title VI.
- CT DOT introduced project personnel, provided background on the Greater New Haven Transit District (GNHTD) and the overall project.
- CT DOT presented the proposed design of the centralized GNHTD facility.

Questions and Comments:

Questions and comments were able to be submitted three different ways: by email to the Project Manager, by voicemail to the Project Manager, and by using the question and answer tool during the live Zoom meeting.

The comment period closed February 11, 2025. No voicemails, emails or otherwise any comments were received for this project.
